

A Little Bit of Heaven

Two rural churches in an idyllic part of Aberdeenshire have just formed a new linkage and are now looking for a minister to take them forward.

Aberdour Church in the village of New Aberdour has just linked with Pitsligo Church at the nearby coastal community and historic burgh of Rosehearty and the congregations are looking to build on their existing strengths with the help of a new leader.

Both churches are served by dedicated and enthusiastic office bearers and a key focus throughout is involvement with the local communities.

The area boasts a wealth of amenities and recreational resources including a brand new school at Rosehearty and close proximity to the town of Fraserburgh for shopping and services. The hinterland of the parishes, which includes the 'Local Hero' village of Pennan also brings the contrasts of dramatic sea cliffs and quiet country lanes. The new minister would further benefit from a fine manse which has just been completely refurbished.

Following Buchan Presbytery's restructuring in its Presbytery Plan, a new linkage of 2 churches has been formed and we are actively seeking a new Minister to give us strong leadership, inspiration and motivation. Both are active congregations working together with strong links within our local communities. We are looking for someone who can build on our strengths, engage with folks of all ages living in our village and rural communities. Our churches and manse are well maintained and appointed. **Do you feel you are the person to take up this challenge?** Informal enquiries can be made to the Interim Moderator, Mr Sandy Corner, 4 Bain Road, Mintlaw, Aberdeenshire, AB42 5EW ☎Tel No. 01771-622562.
